

A man wearing a helmet and a light-colored shirt is riding a blue cargo bike on a cobblestone street. The bike has a large blue box on the back. In the background, there are parked cars, including a white van and a black car, and a yellow building with windows. The street is paved with cobblestones.

Nachher 66/95

Zielwert 60

A photograph of a city street during autumn. The street is lined with parked cars on both sides. Large trees with green and yellowing leaves overhang the road. In the center of the road, several people are riding bicycles. One person is riding a motorized bicycle towards the camera, while others are riding away. The ground is covered with fallen yellow leaves. A semi-transparent white box with green text is overlaid at the bottom of the image.

**4 Wochen später:
+54% Radverkehr auf der Fahrbahn**

Fahrkomfort: 100% angenehm!

64%: „Sieht sehr ansprechend aus!“

A close-up photograph of a cobblestone path. The stones are rectangular and have a textured, ribbed surface. They are arranged in a staggered pattern. The joints between the stones are filled with dark, wet-looking material, possibly sand or mud. Small green weeds and grass are growing out of several of the joints. In the upper right corner, a portion of a vehicle's tire and wheel is visible, suggesting the path is in a driveway or parking area. The lighting is natural, and the overall tone is somewhat muted.
